Better system protection!
spill-resistant keyboard

Designed for high-performance mobility

Choose the processor that's right for you:

- Intel® Centrino® Duo mobile technology features a revolutionary Intel® Core™ Duo processor that allows you to do more of the things you love where and when you want

- Intel® Celeron® M processor offers the perfect balance of high-performance mobile processing technology and exceptional value

Astonishing video entertainment

- Excellent 15.4" WXGA TFT 16:10 widescreen display for the home and office environment

- Featuring Toshiba TruBrite® technology for extraordinarily sharp, bright images in rich contrast and brilliant colour

- Enjoy superlative multimedia and graphics with a choice of ATI graphics chipsets

- Experience the ultimate thrill of high-definition viewing. With "HD to go" from Toshiba, mobile HD viewing brings images to life in incredible detail

Amazing sound and instant multimedia playback

- Integrated industry-leading Harman Kardon® speakers* deliver enhanced sound capabilities and a broader range of frequencies

- SRS® TruSurround XT™* virtual surround sound effects and SRS® WOW* provide a wider and more dynamic sound stage and extraordinary enhancement for music and entertainment

- Express Media Player* provides instant-on music and movie playback functionality – without the need to boot the operating system

Increased reliability and productivity

- Equipped with a spill-resistant keyboard to give the user sufficient time to save data and shutdown the notebook in the event of an accidental spill

- Move between various work locations with greater ease using pre-installed Toshiba ConfigFree™ software for simplified wired and wireless network connectivity, plus the ability to switch location profiles and settings as needed

- Bundled Microsoft® Office OneNote 2003™ offers the flexibility of a paper notebook and the power of digital note-taking

Wide range of connections

- Wireless LAN

- 10/100 Ethernet LAN port

- International V.90 modem (V.92 ready)

- i.LINK® (IEEE1394) port

- Express Card slot for future-proof PC Card support

- 6-in-1 bridge media slot*

- 4 USB 2.0 ports

- TV-out port
